o Enumeration of Mesophilic count	USFDA BAM/CMMEF 5 th edi	o Total plate count (Air monitoring)	URS- SOP-09 (EU GMP Annex)
o Enumeration of Thermophilic flat sour count	USFDA BAM/CMMEF 5 th edi	o Yeast & Molds(Air monitoring)	URS- SOP-09 (EU GMP Annex)

*This test is currently not covered under accredited scope.

ANNEXURE- C [General Terms & Conditions]

- URS Testing Laboratory is EIAC accredited laboratory as per ISO/IEC 17025:2017 (LB-TEST-135) and ENAS (MOIAT) approved. Any parameter(s) marked by * are not covered under our accredited scope. Thus, it might be subcontracted to Any ILAC MRA accredited laboratory. (# Marked parameters are non-accredited and will be tested only on client approval.)
- Validity: 30 days from the date of Quotation/Contract.
- This Quotation / Contract or Test request Form once signed by the client will be treated as confirmed order to start the sample collection schedule. Separate LPO may be sent issued in due course.
- Standard sample retention period (**For Microbiology**) is different for all depending on the sample category after release of test reports. For swabs- No Retention period, **Water & Chilled Foods**- refrigerated condition for 7 days, **Frozen Items**- Frozen Condition for 7days, **Dry items**- Ambient condition for 7 days. Unless otherwise specified by the client separately in Test Request Form. Sample retention of more than 1 week may be mutually agreed based on additional storage cost approval by client. Sample retention (**For Chemical samples**) will be for 15 days for both Water and Waste water, For Food it will be retained as above.
- Client to provide samples for tests as per the requirement from the laboratory. In case any sample drawn by the client without taking service of URS sampler, laboratory will not be liable for deviation in the test results. Sample collection procedure is very critical for testing accuracy.
- Client test report will be filed in the lab for 1-year duration in soft or hard copy without additional cost. If client needs records to be stored / filed more than 1-year laboratory must be informed by the client for quotation & further action.
- In case of unforeseen circumstances, the analysis may be sub-contracted to accredited laboratory and same shall be notified in the test report.
- Though every effort has been made to ensure the accuracy of this offer, URS Testing Laboratory LLC reserves the right to correct the prices where ever required, with valid reason.
- The quotation is based on information made available to us at the time of quotation/Contract; any variation at later stage shall have revised quotation/contract for your approval. If client require different testing method to be adopted, same should be communicated in writing to the laboratory with reference details for review by laboratory.
- If you accept the standard terms and condition of the contract, please forward a signed copy of this contract.
- In case of any unforeseen circumstances or litigation, local Dubai Government laws will be applicable.
- In case of any clarification, please feel free to contact the undersigned. We thank you once again for your interest and look forward to a long and fruitful association with your esteemed organization.
- **Decision Rules:** laboratory sates the statement of conformity in the test reports (satisfactory or unsatisfactory results) based on the specification/ guidelines of latest GSO and/or Local government published guidelines.
- **Suspension or Termination of services:** In any circumstance's client would like to terminate or suspend the services must give 30 day of prior notice in writing before cancellation.
- **Liability:** The Company is neither an insurer nor a guarantor and disclaims all liability in such capacity. Reports of Findings are issued based on information, documents and/or samples provided by, or on behalf of, the Client and solely for the benefit of the Client. The Client is responsible for acting as it sees fit based on such Reports of Findings. Neither the Company nor any of its executive staff members, employees, agents or subcontractors shall be liable to the Client nor any third party for any actions taken or not taken based on such Reports of Findings. There shall be no liability either, if the testing is based on unclear, erroneous, incomplete or misleading information provided by the Client. The Company shall not be liable for any delayed, partial or total nonperformance of the Services arising directly or indirectly from any event outside the Company's control including failure by the Client to comply with any of its obligations
- **Confidentiality /Impartiality & intellectual property rights:**The Client and the Company undertake to keep confidential all and any business and trade secrets obtained from the other party within the Contractual Relationships, not to disclose them to third parties without the prior written approval of the other party and not to use them without permission for own purposes, unless prohibited by the law.
